Imagine the Possibilities....

There is a strong history of the performing arts and citizen participation in Richland Center. For nearly a century, Wisconsin's first Municipal Auditorium was the "center of it all" for the community. The building came to be through the tireless effort and vision of the Federated Woman's Clubs working with Mayor Perl Lincoln, city government, and local businessmen.

One of the first fundraising efforts following the building's purchase paid homage to this group of dedicated women through the **100 Women** campaign which was successful in raising \$100,000. We are looking to add to our list of names for the **100 Men** initiative, in honor of the men past, present, and future who share this vision of the citizens of 100 years ago who worked to create this magnificent performance venue.

Should you choose to **Imagine the Possibilities**, your donation will be used to fund the rehabilitation and restoration of the first floor mezzanine and add proper bathrooms to this space.

I am pleased to pledge my support to the **One Hundred Men Campaign** with my gift of:
